

Growth Packages

GROWTH & FUNNEL STRATEGY PACKAGES

By Admireworks

2026

What's Inside

We have structured three strategic options — each designed to match your priorities, pace, and budget.

OPTION 1

Funnel Engine Only

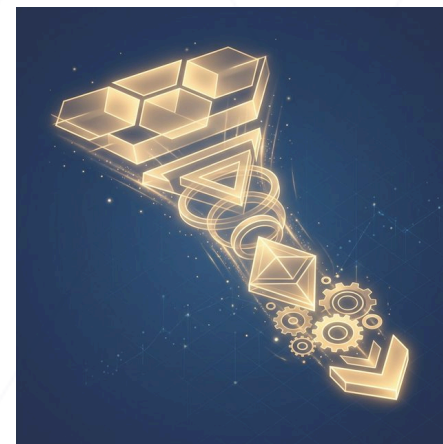

OPTION 2

Engine + Optimization

OPTION 3

Full Growth Partnership

Funnel Engine Only

Build + Launch

- Funnel strategy & structure (lead journey, stages, conversion logic)
- Landing page build (high-converting layout + copy guidance)
- Lead capture form with qualification questions
- Thank You page with next-step routing (WhatsApp / Telegram)
- Tracking setup & dashboard basics (lead source, actions, insights)
- Handover & launch support

45,000 EGP

One-time · 10–14 days

Optional: 7,500 EGP/month — Minor updates, A/B test setup

Engine + Optimization

Minimum 3 Months

- Everything in Option 1, plus:
- Continuous optimization & iteration based on performance data
- Monthly performance review & action plan
- Building & improving multiple landing page variations
- Ongoing improvements to qualification questions
- Ongoing tracking refinement for improved visibility

35,000 EGP setup + 17,500 EGP/month

Setup + Monthly · 10–14 days for launch

Initial payment includes setup fee + Month 1 retainer.

Full Growth Partnership

Engine + Optimization + Ads

- Everything in Option 2, plus:
- Full ads management across agreed channels
- Campaign structure, ad set strategy & optimization plan
- Ad copy angles & variations aligned with the funnel
- Weekly optimization & budget guidance

35,000 EGP setup + 32,500 EGP/month

Setup + Monthly · Minimum 3 months

Ad spend is paid directly by the client.
